ABOUT OUR FUNDRAISER:

We have designed a simple and very effective fundraising system that will earn your organisation or special event 10% of total sales! In fact, we do nearly everything for you. All you have to do is register by filling in the Fundraiser Registration Form and return it to us by Fax/Mail or register on-line at our Web Site www.LabelKingdom.com.au.

We will send you the number of brochures you require, which will contain the Order Forms with your own Special Code Number stamped on them. This code is used to keep track of the sales generated by your fundraising drive.

Distribute our brochures to your members who will then pass them on to family and friends. They then order direct from us through our website, fax us an order form or over the phone quoting your Special Code Number which is documented for each sale.

Commissions will be paid directly to your nominated bank account and an itemised Sales Report will be emailed to you for your records. Commissions will be paid every quarter. If accrued commissions do not total more than \$50 then payment will roll over to the next quarter.

We have no hidden costs – postage & handling is included. It's really that simple!

BENEFITS OF OUR FUNDRAISER:

You will have a reduced lost property pile – no more arguments over whose hat or book it is. You will gain extra money to spend on the items you are raising funds for, and you will be supporting an Australian Family-Owned Business.

Your Special Code Number will allow us to track your sales accurately without any additional work required from yourself.

So register now and make your school or special fundraising event a success!
